

Notice of Revised Application Deadline for TQM Diagnosis (2020~)

The Deming Prize Committee would like to announce the change of application deadline for TQM Diagnosis by the Deming Prize Committee, which will be applied in and after 2020. The details of this change are as follows.

Application Deadline

 Revised part

No	Description	Current Status	Revision (Applied in and after 2020)
1	Application for the Deming Prize & the Deming Grand Prize	February 20	* No change.
2	TQM Diagnosis by the Deming Prize Committee	3 months prior to the desired month of diagnosis	February 20 (for diagnosis to be conducted in the period of April 1 in the same year through March 31 in the following year)
3	Pre-Application Consultation	2 months prior to the desired month of consultation	* No change.
4	The Deming Prize Committee Quality Management Consultation	2 months prior to the desired month of consultation	* No change.

The revision stated above will be reflected on “The Application Guide for The Deming Prize, The Deming Grand Prize 2020”, which is scheduled to be issued around December 2019. Please keep this change in mind if you are considering to apply for the TQM Diagnosis in 2020 or later.

Should you need any clarification, please contact the [Secretariat for the Deming Prize Committee](#).
